Note to Exhibit B-1 (FCC 2012 Random EEO Audit)

As EEO Coordinator of the WPTY employment unit for most of the reporting period (as well as currently), I have been, and continue to be, responsible for providing notification of job openings to an array of groups and organizations and for publicizing openings by additional methods as reflected in the EEO Public File Report for the reporting period. With respect to the 2010 News/Sports Reporter vacancies, my predecessor was responsible for the recruitment notifications. It is my understanding that, in addition to the outreach reflected in the documentation for News/Sports Reporter attached to B-1, my predecessor undertook additional outreach to publicize the job opening to a broad array of sources on our recruitment source list, although I have not been to locate these records in the employment unit's files. As reflected in Tabs B-2 through B-37, it has been my consistent practice, and will continue to be my practice going forward, to maintain records of copies of all advertisements, bulletins, letters, faxes, e-mails and other communications and records reflecting job announcement of the open position for each job vacancy.
